MyChart Sign Up - Verify your Identity for Instant Access

**STEP 1:** The **Verify your Identity for Instant Access** method will confirm your identity by asking a series of questions. Enter all required information in the fields marked with a red asterisk *.

Note, it is very important to enter your correct email address. You will need access to your email in order to complete the Two-Step Verification process that follows.

When complete, check the “**I'm not a robot**” box.

Click **Next**.
**STEP 2:** You will then verify your identity by answering a few secure questions. Below is an example of a question you may see from the Experian verification system. Read each question carefully and select the answer.

Click **Next** to proceed.

**STEP 3:** After completing the identity questions, you will **Set Up Two-Step Verification** as an added layer of account security.

Click **Continue**.

(Note, you may click “Turn off two-step verification“ to bypass this security feature, although this is not recommended. Should you choose to do so, a popup box will require your confirmation).
**STEP 4:** Verify that your email is correct.

Click Continue.

**STEP 5:** You will be at the verification screen. Click the **Send to my email** button to receive your MyChart Verification Code in your email.
STEP 6: Check your email for your code.

Enter this code in the “Enter Code” box.

Click Next.

STEP 7: Create your MyChart Username and Password.

Click Next.
**STEP 8:** Enter your email address to enable MyChart notifications.

Click Sign in.

**STEP 9:** Read the Terms and Conditions and click Accept to proceed.
**STEP 10:** Click **Skip** to bypass the pop up screen. Welcome to your MyChart!
